<i>(Does not include points for Management Capability)</i>				<i>(Does not include points for Management Capability)</i>		

Past Performance Award Criteria		Weight	Maximum Score	Maximum Points		HQPO SCORES	Points
Past Performance for Providers who operate an existing Florida Program (Part I)				420	Providers who operate an existing Florida program may receive scores on Past Performance: Parts I and III. When the points available for Part III, Accreditation are included, these providers have the potential to earn 480 points.		332.00
Performance Score	2	100	200	If there is only a Performance score and no Compliance score, then for the Performance Scores: use a weight of 2 (instead of 1.5); no change to the Maximum Score; and use 200 for the Maximum Points (instead of 150). If there is only a Performance score and no Compliance score, the Compliance score information also needs to change. For the Compliance score, use a weight of 0 (instead of 0.5); no change to the Maximum Score; and use 0 for the Maximum Points (instead of 50). The Performance score and the Compliance score added together are worth a total of 200 maximum points.	79.2	158.40	
Compliance Score	0	100	0		0	0.00	
QA Deemed Status	2	10	20		0	0.00	
Failure to Report	-4	5	-20		0	0	
Escapes Low Risk	-2	No Max	No Max		0	0
